

TOGETHER, WE ACCOMPLISHED A LOT IN 2018!

Permanently fixed the Medicare therapy cap

Eliminated functional limitation reporting (FLR) in Medicare

Added physical therapist assistants (PTAs) to the TRICARE program

Enacted opioid legislation that increases awareness about nonpharmacological treatment options

Enacted professional liability protections for physical therapist (PTs) and PTAs who travel with sports teams

Secured coverage of PTA services by TRIWEST in the VA Choice Program

Secured full payment for electromyography (EMG) in Medicare

Let's keep the momentum going!
