

## CSM 2020 Online Education Summit Application

Individuals or project teams may apply to attend the summit. Teams are limited to 3 members. All members of the proposal team must be current Academy of Neurologic Physical Therapy members. Interested individuals must apply **by 9/15/19**. Please send one email with the application items to Laura Morris at [ptforbalance@gmail.com](mailto:ptforbalance@gmail.com).

Please include the following:

1. Course Title
2. Course Instructor(s) name and email
3. Course project description- should be feasible to complete in one year. All submissions should encompass projects that would improve physical therapy care or outcomes for patients with neuromuscular conditions
4. A brief personal statement for each team member, addressing his/her educational background and/or content expertise. Include experience either taking or teaching online courses
5. A description of the evidence that supports the evidence-based educational module to be implemented (Minimum 5 current references must be provided)
6. Course objectives- please list a minimum of 3 objectives
7. Target audience- please describe your target audience in terms of specialty area, level of expertise, practice area
8. Current CV or bio for each team member
