Neurology Section-APTA Partners Program

Are You Ready to be Connected?

With more than 3,700 current members, the Neurology Section is one of the fastest growing sections of the American Physical Therapy Association (APTA). Our mission is to serve providers and to advance evidence-based practice, education, and research in neurological physical therapy. Through dynamic and innovative leadership, our members are empowered to promote optimal recovery, wellness, and quality of life in individuals with movement dysfunction due to neurological disease or injury. This makes the Partner Status in the Neurology Section-APTA the ideal choice for professionals working or studying in the field of neurology.

Levels of Partnership

BRONZE LEVEL (FREE)

1. **Neuro PT list-serve**, a Yahoo group with active, contributing professionals in the field of neurorehabilitation
2. **Neurology Section E-news**, a biweekly publication featuring notification of Section business, legislative issues, Special Interest Groups discussions, notification of abstracts accepted for Combined Sections Meeting, as well as registration reminders.
3. Access to the **Neurological Clinical Specialist (NCS) Resource List** and opportunities to network with NCSs.

SILVER LEVEL (\$25)

All of the Basic Level benefits PLUS:

1. **Research In Review**, a biweekly email listing recently published research articles related to the field of neuroscience and free access to these articles from a variety of journals. Topics include areas of motor control, rehabilitation, clinical neurophysiology, and technology.
2. **Membership in six Special Interest Groups** with access to each newsletter and invaluable Web site resources at www.neuropt.org. Special Interest Groups include:
 - Balance and Falls
 - Brain Injury
 - Degenerative Diseases
 - Spinal Cord Injury
 - Stroke
 - Vestibular Rehabilitation

GOLD LEVEL (\$50)

All of the Basic and Intermediate Level benefits PLUS:

1. An annual subscription to the **Journal of Neurological Physical Therapy (JNPT)**, a quarterly journal listed in MEDLINE, offering research articles, critical reviews, case reports, and special interest papers that contribute to the development and effective use of neurological physical therapy.
2. **Online access to JNPT** at www.jnpt.org, including podcasts of JNPT abstracts and commentaries are included.
3. **Discounts** on section publications, continuing education courses, and the Combined Section's Meeting pre-conference courses. Recent courses include Neurologic Practice Essentials: A Measurement Toolbox and Observational Gait Analysis: Maximizing Gait Outcomes for Clients with Neurologic Deficits..

How can You get Involved in Other Section Activities?

The Neurology Section is always looking for volunteers. We encourage you to offer your time and become involved. The rewards gained from involvement with neurological physical therapists will benefit your career growth and will also provide you personal gratification. We welcome the opportunity to acquaint you with our Section!

Who is Eligible for Partner Status?

International physical therapy professionals, other professionals not eligible for APTA membership, researchers and scientist with an interest in neurology topics, industry partners, and members of the public are encouraged to join as Partners of the Section. When you join the Neurology Section, you'll join an active network of physical therapy practitioners, educators, and researchers dedicated to the advancement of evidence-based neurorehabilitation in order to improve care and quality of life in persons with neurological disease or injury.

How can You Join as a Partner?

It's easy - simply complete the application form! Basic Level Membership is free. Intermediate Partner fee is \$25. Full Partner Fee is \$50. These fees cover a single year of benefits, and must be submitted along with this application. The fee is required annually for each successive renewal of your Partner Status. Complete the attached application and submit with your form of payment.
