

Brain Injury Special Interest Group Student Intern Positions

Link to Application: <https://forms.gle/kWrHDS3wEdvaqmUx8>

Application Deadline: May 15th, 2020

Positions are for 1 year (starts June 15th, 2020)

Time Commitment: approximately 2-3 hours/week

Successful completion of internship results in honorarium to attend a physical therapy related conference or course.

Requirements:

1. Enrolled in a physical therapy or physical therapist assistant program for the entire year (graduation after July 31, 2021)
2. Current APTA and ANPT member
3. One year commitment
4. Attendance of monthly conference call/meeting of Brain Injury SIG officers

Desired Characteristics:

1. Interest in learning more about neurologic physical therapy and brain injury
2. Enthusiasm, responsiveness, and dependability
3. Commitment to the physical therapy profession

Description of Positions:

1. **Social Media Intern**— responsible for maintaining content on social media sites (Twitter, Facebook, and others) and seeking opportunities to promote our SIG through student groups.
2. **Special Projects Intern**— responsible for carrying out duties described by the Chair and Vice Chair. Includes updating website, updating educational materials, assisting with promoting events and projects.

Student interns should be willing to assist with additional tasks as needed, including helping with the creation of the Brain Injury SIG's podcast.
